

First in a trilogy that crosses the boundaries of erotic fiction-from the bestselling author of Megans Mark. Too weak to resist young Kelly Bentons attempts at seduction, Rowdy Mackay left home eight years ago. Duty as a U.S. Marine put a safe distance between temptation and the nubile Kentucky vixen. Now hes back home and ready to engage in the kind of erotic games that have earned him and his two cousins a Nauti-boy reputation in three counties. Once it was Kellys dream too-to feel the heat of the boy she desired. But an attack from a stalker still on the prowl has left Kelly terrified of a mans touch. Now as fear and desire converge, Rowdy fights to save her from the deadly threats of a stranger, to rid her of her demons, and to satisfy a hunger more powerful than either can imagine.
