

An Erotic Historical Western Romance Story Spend one night at my mercy. Let me conduct my experiments. If at any time you are afraid and wish to leave, I will not stop you. Tomorrow, if you still wish to be mine, I will accept your offer. Otherwise you will be free to go as you desire. Is it agreed? After the death of her father, Ellie is left alone in a harsh Western mining town. She's sold off nearly all that she owns in an attempt to survive, but circumstances have grown dire. There is a shortage of sexy cowboys in the area, but she might have a steamy alternative. If she must find a man to protect her, why not seduce the brilliant clockwork inventor? But the only way to win him over is to pass a very erotic test in his clockwork laboratory. **WARNING:** This extremely erotic historical western romance has very explicit sex scenes and language. Its pure old west steampunk erotica my dears! If you love reading sizzling hot cowboy erotica or sex focused steampunk romance, you'll probably enjoy this book, but it is definitely not for the faint of heart! There's some steampunk theme BDSM, as she submits to her sexy new master.
